background and negotiations that led to the proposed settlement that is submitted to this Court for preliminary approval.

2. On February, 2010, Plaintiffs filed a potential class action complaint (the “Hartman Complaint”) in the Superior Court of the State of Washington for King County, Case No. 10-2-07644-1 SEA, captioned *Ed Hartman, et al. v. Comcast Business Communications, LLC, et al.* on behalf of a potential Washington state class alleging violations of RCW 80.36.400 (the “WADAD”) and the Washington Consumer Protection Act (RCW 19.86), and seeking declaratory relief under the Washington Declaratory Judgment Act (RCW 7.24.010), all arising from the alleged delivery of pre-recorded messages for the purpose of commercial solicitation by automatic dialing and announcing device (“ADAD”) allegedly done by or on behalf of Comcast. On March 12, 2010, pursuant to the Class Action Fairness Act, Comcast removed the case to the United States District Court for the Western District of Washington (the “Action”).

3. After the Complaint was filed, another action was filed in King County Superior Court by other counsel on behalf of a separate Plaintiff, alleging substantially the same claims as those in the Hartman Complaint. Comcast also removed that action and it was assigned to Judge Coughenour. Counsel for the Plaintiffs agreed to co-counsel both cases, and on April 29, 2010 an Order was issued consolidating the two cases in this Court. (Dkt. # 13). A Consolidated Amended Complaint was filed on April 30, 2010 (Dkt. # 14).

4. On May 25, 2010, the Complaint was amended to add an additional defendant, Marketouch (Dkt. # 19). On June 8, 2010, Comcast filed a Motion to Dismiss (Dkt. #22) based on preemption, that the WADAD did not apply to business to business calls, that corporations were not covered by the WADAD and other grounds. The Motion was fully briefed.

Thereafter Marketouch filed its Motion to Dismiss (Dkt. #40), relying on the same grounds as

1 Comcast as well as the claim that the WADAD required the calls in question to “initiate a
2 conversation”. That Motion was also fully briefed.

3
4 5. On August 1, 2010 the Court stayed the case pending an interlocutory appeal of
5 another matter originating in the Western District on the preemption issue (Dkt. # 52). The stay
6 was lifted on December 7, 2010 (Dkt. # 57). On January 19, 2011 (Dkt. # 63) the parties
7 stipulated to another stay to permit mediation, which resulted in the Settlement Agreement now
8 submitted to the Court for preliminary approval.

9
10 6. Comcast and Marketouch contend they are not liable for any claims asserted in
11 the Action, that they have valid defenses to those claims, and that no Plaintiff nor any putative
12 class member it purports to represent has suffered any recoverable damages.

13
14 7. The Parties’ participated in a one day mediation in Seattle, Washington before
15 the Honorable Terrance Lukens (Ret.) of JAMS on March 24, 2011 (the “Mediation”). The
16 Settlement Agreement was not reached at the end of the mediation but after continued
17 negotiations with the assistance of Judge Lukens, the case was settled, subject to Court
18 approval. A true and correct copy of the Settlement Agreement is attached hereto as Exhibit A.

19
20 8. After conducting substantial investigation into the facts and law relating to the
21 matters set forth in the Action regarding the claims asserted as well as Comcast’s and
22 Marketouch’s legal and factual defenses, we have concluded that a settlement according to the
23 terms set forth in this Agreement represents a fair, adequate and reasonable settlement of the
24 Action and is in the best interest of the Settlement Class in light of the risks, costs and
25 uncertainty of further litigating the Action, including the outcome on the Motions to Dismiss

1
2 and the substantial benefits to be received by the Settlement Class pursuant to the terms of this
3 Agreement;

4 9. In this case Plaintiffs alleged that Defendants had made illegal prerecorded
5 telephone solicitations to businesses in the State of Washington. The legal bases for the claims
6 of the class are derived from the Washington state statute forbidding prerecorded telephone
7 solicitations by ADAD for the protection of consumers.

8
9 10. Prior to and during the mediation, counsel for the class learned that the total
10 number of calls made by Marketouch on behalf of Comcast were 148,843 and that the total
11 number of discrete telephone numbers involved (i.e. class members) was 242,183. We also
12 determined that records of the telephone numbers called were available and that through using
13 a reverse look up search, we could identify a substantial number of the names of the entities
14 called and their current addresses. The Declaration of Jessica M. Andrade confirms this, noting
15 that all but 609 addresses were identified.

16
17 11. The settlement that was reached at the mediation, including the notice process,
18 payments to the class, and the charitable contributions were recommended by Judge Lukens.
19 Judge Lukens believed that a settlement which provided payment to all class members who
20 chose to make a claim was a desirable result compared to further litigation, and was also
21 impressed with a settlement that paid for each call made rather than a single payment to each
22 class member regardless of how many calls were made.

23
24 12. The parties were particularly concerned about providing clear yet
25 comprehensive notice to class members, and agreed on a form of notice consisting of a direct
26 mailing that provides essential information to most class members about the settlement and

4 13. It was particularly important to us that in a settlement which is claims made, and
5 where claims rates and ultimate payments by Comcast cannot be predicted reliably, that some
6 minimal charitable payment be made. Here Comcast has agreed to a substantial payment,
7 \$570,000, half of which will be paid to the Legal Foundation of Washington, one quarter to El
8 Centro De La Raza and one quarter to Neighborhood House, charities that can continue their
9 good work with these contributions.
10

11 14. It is difficult to ascertain the total number of claims that will be submitted. The
12 Parties have agreed on a total settlement fund, from which the charitable payments will be
13 made. Comcast will pay all costs of administration and notice, which we estimate will be
14 approximately \$250,000. If costs exceed that amount, Comcast has agreed to pay the
15 additional amount, which will not count towards the Settlement Cap and will not affect
16 calculation of payments to class members. Further Comcast has agreed it would not oppose
17 Class Counsel's request to pay a class representative fees of \$10,000 to each class
18 representative and attorney fees and costs of \$870,000, if approved by the Court. The
19 settlement provides for Comcast to make payments capped at \$3,800,000, leaving
20 approximately \$2,070,000 available for claims. The law provides for damages of \$500 for
21 violations of the WADAD. The settlement will pay each class member \$100 for each call they
22 received, understanding that if the total number of claims exceeds the available fund, payments
23 will be prorated.

designated and controlled by the Claims Administrator, as defined in Paragraph 5, *infra*, (subject to Court oversight). This One Million Seven Hundred and Twenty Thousand Dollars (\$1,720,000.00) shall be designated for payment of attorneys' fees, class representative fees, claims administration costs, and *cy pres* to the Legal Foundation of Washington, El Centro and Neighborhood House pursuant to paragraphs 3(a)-3(d) *supra*.

b) Within twenty (20) calendar days of the date of entry of a final approval order of the Settlement Agreement, Comcast shall pay or cause to be paid, in settlement of the claims, the sum of One Hundred Dollars (\$100.00) for each call for which valid claims have been submitted by Class Members to the Claims Administrator, as defined in paragraph 5, *infra*, in an amount not to exceed Two-Million and Eighty-Thousand Dollars (\$2,080,000.00), into an interest-bearing US Bank Corporate Trust Account designated and controlled by the Claims Administrator, as defined in paragraph 5, *infra*, (subject to Court oversight).

No funds will be distributed for claims administration in excess of what is reasonably required to effectively complete administration of claims to the Class Members, as determined by the Accounting defined in paragraph 6, *infra*. As provided above, if there is a surplus of the Settlement Amount after every Class Member submitting a valid claim receives One Hundred Dollars (\$100.00) per call after class administration fees have been paid, and all other payments have been made under paragraph 3, all funds, including any accrued interest, shall revert to or be retained by Comcast.

5. Claims Administration. Rust Consulting, Inc. (hereafter "Claims Administrator") will administer and be responsible for the claims process. Administration elements of this Settlement will involve mailing postcard notice to the Class Members, creation of an Internet site, and a claim review and payment process.

5.1 The Claims Administrator shall provide a notice to the Class Members in the manner set forth in paragraph 8 of this Settlement Agreement and in Exhibit B to this Settlement Agreement.

5.2 No later than the date of the commencement of the notice program, the Claims Administrator shall establish an Internet site which shall contain copies of the Settlement Agreement and Exhibits and the and the Class Notice (as defined in paragraph 8, *infra*) which may be downloaded or printed from the Internet site, a set of Frequently Asked Questions (“FAQs”) concerning the Action, the opt-out process, and the claims process. The Internet site shall remain open and accessible no less than sixty (60) days after the entry of an order giving final judgment and approval to this Settlement Agreement.

5.3 The Claims Administrator will determine, in good faith, the validity of the claims and examine the proofs submitted on claims using their records and other available information, including by verifying that the telephone number submitted by any potential Class Member is included in the call records provided by Comcast and Marketouch. A Class Member that submits Claim Form (as described in paragraph 11, *infra*), signed under penalty of perjury, verifying and affirming that the Class Member received one or more automated commercial solicitations from Comcast, at a number included in the call records provided by Comcast and Marketouch and within the class period, and provides a valid tax identification number, shall be deemed to have submitted adequate proof. Comcast shall consult with Class Counsel, using its own records and other available information, to resolve disputed claims.

5.4 All claims forms shall be sent to Rust Consulting, Inc. at Claims Administrator, PO Box 2518, Faribault, Minnesota 55021-9518. No later than thirty ((30) days following the end of the Claims Period, the Claims Administrator will submit

a report to Comcast and Class Counsel setting forth the total number and amount of claims submitted, the total value of all valid claims, the dollar value of claims rejected as invalid, the claims rejected and the reasons for such rejections. In the event Comcast and Class Counsel cannot resolve any disagreements over the validity of any rejected claims, the matter will be submitted by Class Counsel in writing to the Court, with an opportunity to respond for Comcast. To the extent Claims are rejected, the claimant will be provided by Class Counsel with written notice of the rejection, and the reason for the rejection.

6. Accounting. The Claims Administrator shall cause to be maintained at all times detailed written accounts (“Accounting”) that reflect, separately for each sub-account that may be established hereunder and in the aggregate: (1) the principal amounts deposited into the Settlement Fund by Comcast; (2) the earnings thereon; (3) the fees and expenses (including legal expenses and claims administration fees) paid, assessed or debited pursuant to this Settlement Agreement; (4) the amounts transferred or disbursed from the Settlement Fund pursuant to Paragraphs (2) and (3) above; (5) the total number of claims submitted; and (6) the total amount of valid claims represented thereby.

7. Preliminary Approval Order. Class Counsel shall file a Motion for (a) preliminary approval of the Settlement Agreement; (b) class certification for purposes of settlement only; (c) approval of the Class Notice (as defined in paragraph 8, *infra*); and (d) scheduling of final approval hearing. Class Counsel shall note such motion no later than forty-five (45) days after this Settlement Agreement is signed by all Parties. A copy of the [Proposed] Order Granting Preliminary Approval of Settlement Agreement, Class Certification, Approving Class Notice and Scheduling a Final Settlement Approval Hearing (“Preliminary Approval Order”) agreed to by the Parties is attached hereto as Exhibit A.

8. Notice of Settlement. The Parties agree to the content of the Notice of Settlement of Class Action (“Class Notice”) substantially in the form of Exhibit B, a copy of

which is attached hereto. The Class Notice will include dates by which potential Class Members must choose to make claims, be excluded, or file objections, if any, to the Settlement, which will be sixty (60) days from the date the Class Notice is mailed by the Claims Administrator. The Class Notice will also advise Class Members that Class Counsel will file their request for approval of their attorney fees and costs no later than forty (40) days after Class Notice has been mailed, and that the request will also be posted to the website, so that Class Members will have twenty days to consider and file any objections they may have to said request. The Class Notice will also direct Class Member to the Internet website established and maintained by the Claims Administrator. Class Notice will be provided by United States mail, based upon identification of addresses of Class Members by conducting searches of directories for the telephone numbers called as indicated in the records of Comcast and Marketouch. Class Members whose Class Notices were sent to valid addresses but are returned undeliverable shall not be entitled to receive a distribution from the Settlement Amount. No later than fourteen (14) days prior to the final approval hearing, the Claims Administrator will file a declaration, with a copy to Class and Defendant's Counsel, attesting that Class Notice was disseminated by the Claims Administrator in a manner consistent with the terms of this Settlement Agreement.

9. Procedure for Requesting Exclusion from the Settlement Class. Class Members who wish to exclude themselves from the Settlement Class must submit a written statement requesting exclusion from the Settlement Class. Such written request for exclusion must contain the name, address, phone number and email address of the Class Member requesting exclusion, and must be returned by certified mail to the Claims Administrator and postmarked no later than sixty (60) days after mailing of Class Notice. The date of the postmark on the mailing envelope shall be the exclusive means used to determine whether a request for exclusion has been timely submitted. Any Class Member who properly opts out of the Settlement Class using this procedure will not be entitled to any recovery under the Agreement and will not be bound by the Agreement or have any right to object, appeal or comment thereon.

Class Members who fail to submit a valid and timely request for exclusion on or before sixty (60) days after mailing of Class Notice shall be bound by all terms of the Settlement Agreement and any Final Judgment entered in the Action.

10. Procedure for Objecting to the Settlement Agreement. Class Members who wish to object to the Settlement Agreement or to Class Counsel's request for fees or payments to the Lead Plaintiffs must file in the Action and serve counsel for the Parties a Notice of Objection and/or Intent to Appear. Such Notice of Objection and/or Intent to Appear must be filed with the Court and be served on counsel for the Parties at the addresses specified in the Class Notice no later than sixty (60) days after mailing of Class Notice. No Class Member shall be entitled to be heard at the Hearing (whether individually or through separate counsel) or to object to the Agreement, and no written objections or briefs submitted by any Class Member shall be received or considered by the Court at the Hearing, unless such written notice is provided by the Objection Deadline. The date of the postmark on the mailing envelope shall be the exclusive means used to determine whether a Notice of Objection and/or Intent to Appear has been timely submitted. Class Members who fail to file and serve a timely Notice of Objection and/or Intent to Appear in the manner specified above shall be deemed to have waived any objections and shall be foreclosed from making any objection (whether by appeal or otherwise) to the Settlement Agreement.

11. Making Claims. All Class Members who submit a timely and valid claim form ("Claim Form") substantially in the form of Exhibit D, a copy of which is attached hereto, that the Claims Administrator determines to be valid, will be entitled to receive \$100.00 for each call received unless the amount of claims exceeds \$2,080,000.00 in which case payments will be pro-rated as set forth in Paragraph 3(a) of this Settlement Agreement. Class Members must submit the Claim Form by first-class mail, or other method permitted by the Claims Administrator, according to the instructions set forth in the Class Notice and Claim Form. To be timely, the

Class Member must complete the Claim Form and submit all requested information in accordance with the instructions set forth in the Class Notice and Claim Form within sixty (60) days of the mailing of Class Notice. To be valid, the Class Member must fill out the required portions of the Claim Form in their entirety (including without limitation name, address, as well as the approximate date and phone number on which the Class Member received the purported pre-recorded phone solicitation), date the Claim Form, and sign the Claim Form under penalty of perjury that the information supplied is true and correct according to the best of the Class Member's personal knowledge and belief. In its determination of whether or not the claim shall be approved, the Claims Administrator shall cross-check and verify that the phone number provided by the Class Member is included in records provided by Defendants of the phone numbers called. The payment to a Class Member shall be determined based on the number of calls made to that phone number.

12. Order for Final Judgment. At the Final Settlement Hearing, Class Counsel shall petition the Court in the Action to enter an order for final judgment that approves this Settlement Agreement, and dismisses the claims of the Class with prejudice, substantially in the form of Exhibit C, a copy of which is attached hereto. The Parties agree that Final Judgment shall be entered in accordance with that Order substantially in the form of Exhibit E, a copy of which is attached hereto.

13. Release of Claims. The Settlement Agreement provides for the release by Class Members ("Release"), for the period beginning February 18, 2006, through the date of entry of the Preliminary Approval Order ("Class Period") as follows:

13.1 Upon final approval of the terms of this Settlement Agreement by the Court, the Class Members, on behalf of themselves, their descendants, ancestors, dependents, heirs, executors, and administrators, and on behalf of each of their past and present predecessors, successors, assigns, subsidiaries, affiliates, parents, operating

entities, employees, officers, directors, attorneys, agents, shareholders, partners, joint venturers, insurers and sureties, jointly and severally, fully and forever release Comcast and Marketouch, and each of their past and present predecessors, successors, assigns, subsidiaries, affiliates, and operating entities, and each of their respective past and present employees, officers, directors, attorneys, agents, shareholders, partners, joint venturers, insurers and sureties, of and from any claim, duty, obligation, lien, demand, damage, cause of action, or liability of any nature whatsoever, whether or not now known, suspected, pled, or claimed, whether raised by claim, counterclaim, setoff or otherwise, that any of them ever had, now has, or may claim to have had, that relates to, or otherwise arises from the Action or any allegations or claims raised therein (the “Released Claims”). Released Claims do not include (1) claims arising from the delivery of pre-recorded messages that were not delivered by or on behalf of Comcast; or (2) claims that do not arise as a result of Comcast directly or indirectly using an automatic dialing and announcing device for business to business solicitation calls.

13.2 Comcast and Marketouch shall provide admissible sworn testimony, whether by declaration or otherwise, about the following: (1) during the Class Period, the only vendor Comcast used to deliver pre-recorded commercial solicitation messages to businesses in Washington State was Marketouch; and (2) during the Class Period, Marketouch used automatic dialing and announcing devices to place calls to Washington businesses for the purposes of commercial solicitation on behalf of Comcast that resulted in 242,183 connections; and (3) Comcast only used Marketouch to place solicitation calls using automatic dialing and announcing devices to Washington businesses during the Class Period (in other words, it did not place such calls itself). Comcast acknowledges these representations relate to a material term of this Settlement and that Class Counsel have relied on the same.

13.3 This settlement shall be subject to Plaintiffs being provided such testimony as detailed in Paragraph 10.2 above, to be completed within thirty (30) days after execution of this Settlement Agreement.

13.4 The foregoing Release does not extend to any rights or obligations incurred under the Settlement Agreement.

13.5 Waiver of California Civil Code Section 1542. Upon final approval of the terms of this Settlement Agreement by the Court, all Class Members shall be deemed to each expressly assume the risk that, by entering into this Settlement Agreement and the Releases contained herein, each will forever waive claims for damages relating to the Released Claims that he or she or it does not know or suspect to exist, whether through ignorance, oversight, error, negligence, or otherwise, and which, if known, would materially affect their decision to enter into this Settlement Agreement. In that regard, the Class Members expressly waive the protections and provisions of California Civil Code Section 1542, which provides that:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR.

13.6 The Parties recognize, acknowledge, understand and assume the risk and possibility that any and all rules of law that have or might have induced the Parties to enter into and execute this Settlement Agreement may be different from the Parties' present, past or future understanding and interpretation of the law. The Parties nonetheless agree that this Settlement Agreement and the Releases contained in it shall remain firm, valid, binding and in full force and effect as a release notwithstanding any misunderstanding or misinterpretation law.

14. Dismissal With Prejudice. Upon approval of the entry of the Order of Final Judgment, Lead Plaintiffs and the Settlement Class shall dismiss the Action with prejudice. Further, Lead Plaintiffs specifically authorize their attorneys to prepare and execute any and all documents reasonably necessary to effectuate the dismissal with prejudice.

15. Award of Attorneys' Fees and Costs and Class Representative Payment. At the Final Settlement Hearing, Class Counsel shall petition the Court in the Action to enter an order for an award of attorneys' fees and costs in this Action not to exceed Eight Hundred and Seventy Thousand Dollars (\$870,000.00), approving the costs of administration of the settlement including costs related to notice up to Two Hundred Fifty Thousand Dollars (\$250,000.00), and to enter an award to Lead Plaintiffs an incentive payment and payment for all claims in a sum equal to Ten Thousand Dollars (\$10,000) each for a total of Thirty Thousand Dollars (\$30,000.00). The amount to be allocated for costs of administration is Two Hundred Fifty Thousand Dollars (\$250,000.00), provided that the Claims Administrator provides an Accounting as defined in Paragraph 6, *supra*. Any amount of the Two Hundred Fifty Thousand Dollars (\$250,000.00) allocated for claims administration costs remaining after the Claims Administrator has completed the administration of claims to the Class Members, and after the Claims Administrator provides an Accounting as defined in Paragraph 6, *supra*, shall be retained by Comcast. If the costs reasonably required to effectively complete the administration of claims to the Class Members exceed Two Hundred Fifty Thousand Dollars (\$250,000.00), as shown by the Accounting provided pursuant to Paragraph 6, *supra*, Comcast will pay the excess. Payments to the Settlement Class, attorneys' fees, the class representative fee, and *cy pres* shall be paid from the Settlement Amount only and from no other source. Defendants do not object to Class Counsel's petition for attorneys' fees and the class representative fee.

16. Effect of Court Disapproval. In the event the Court in this Action or any other Court (a) disapproves, sets aside, or modifies this Settlement Agreement; (b) declines for any

reason to enter or give effect to a Preliminary Approval Order; (c) declines for any reason to enter or give effect to an Order for Final Judgment; or (d) holds that the Order for Final Judgment, or any judgment entered pursuant thereto, should in any material part be overturned or modified in any material way, then the Parties shall use their best efforts to effectively repair deficiencies in order to obtain Court approval, provided that such best efforts shall not be deemed to require Comcast to pay any additional sums than is provided herein, or receive any less percentage of funds retained as provided in Paragraph 4 herein. In the event such efforts are unsuccessful, and after the passage of sixty (60) days from the date of the Court's actions outlined in Paragraph 13 (a)-(d) herein, then this Settlement Agreement shall become null and void, and the Action shall be deemed to revert to its status as of the date and time immediately prior to the execution of this Settlement Agreement, except that Comcast will be allowed to re-instate its motion to dismiss, previously filed at Dkt. No. 22. Upon such an occurrence, the Parties jointly shall move that any and all orders entered pursuant to this Settlement Agreement be vacated and shall proceed with the Action as if this Settlement Agreement had never been executed; provided, however, that in the event that the Parties, within fifteen (15) days of any such action of any court, jointly elect to appeal from or otherwise seek review or reconsideration of such court action, this Settlement Agreement shall not be deemed null and void until such time as such court action becomes final after any proceedings arising directly or indirectly from the Parties' appeal(s) or other attempt(s) to have such court action reversed, withdrawn, or overturned. In the event the Settlement Agreement is determined null and void, the Parties shall not refer to the fact and terms of this Settlement Agreement to establish liability or otherwise support the Parties' substantive positions in the Action, and any and all funds paid, less actual expenses incurred by the Claims Administrator, shall be returned to Comcast forthwith.

17. Effective Date of Settlement. The settlement and release of claims contemplated by this Settlement Agreement shall be deemed effective, and the Parties and members of the Class shall be definitively bound thereto, on the date (the "Effective Date") that is ten (10) days

after the date each and all of the following conditions have occurred: (a) this Settlement Agreement has been signed by Lead Plaintiffs, Comcast, and Class Counsel; (b) orders have been entered by the Court granting preliminary approval of this Settlement Agreement, and approving a form of notice, as provided in Paragraphs 7 and 8, above; (c) the Court in the Action has entered an order as provided in Paragraph 7, above; and (d) the judgment has become final. The date the judgment has become “final” is thirty (30) days after entry of judgment if no appeal is filed by an objector. If an appeal is taken or review is sought of the judgment, the judgment becomes “final” the day after the mandate is issued or the appeal or other petition for review is dismissed or subsequent appellate or review proceedings concluded. Upon the occurrence of the Effective Date: (1) the Settlement Agreement shall provide the exclusive remedy for any and all released claims of Class Members; (2) Comcast and Marketouch shall not be subject to liability or expense of any kind with respect to the released claims to any Class Members except as set forth herein; and (3) Lead Plaintiffs and the Class Members who have not submitted valid and timely claims shall be permanently barred from initiating, asserting, or prosecuting any and all released claims against Comcast and/or Marketouch in any federal or state court in the United States or any other tribunal.

18. Washington Law. The rights and obligations of the Parties hereto are to be construed, interpreted and enforced solely in accordance with the laws of Washington State, without giving effect to any conflict of laws principles.

19. Alternative Dispute Resolution. In the event any dispute arises as to the interpretation or enforcement of the terms or language of the Settlement Agreement, the Parties agree to refer the dispute to Judge Terry Lukens first for mediation and, if that fails, binding arbitration.

20. Execution in Counterparts. This Settlement Agreement may be executed in one or more counterparts and delivered by facsimile to counsel. All executed counterparts, including

those delivered to counsel by facsimile, and each of them shall be deemed to be one and the same instrument. A facsimile copy shall be considered an original for all purposes.

21. No Admission. The Parties specifically understand that the promises made in accordance with this Settlement Agreement are not to be construed as an admission by any of the Parties for any purpose and understands that the Parties all deny liability for the allegations made in the Action. Lead Plaintiffs further understand that this settlement has been made for business reasons. Nothing in this Settlement Agreement is to be construed as defendants agreeing that this case was appropriate for class action status or certification. This provision shall survive the expiration or voiding of the Settlement Agreement.

22. Modifications Only in Writing and Authorization of Class Counsel. This Settlement Agreement may be amended or modified only by a written instrument signed by all of the undersigned Parties or their assignees or successors-in-interest, and the undersigned counsel; except that Lead Plaintiffs, individually and as class representatives, expressly authorize Class Counsel to take all appropriate action required or permitted to be taken by the Settlement Class pursuant to this Settlement Agreement to effectuate its terms, and also expressly authorize Class Counsel to enter into such modifications or amendments to this Settlement Agreement on behalf of the Settlement Class as Class Counsel deem appropriate. This Settlement Agreement reflects the entire agreement of Lead Plaintiffs, the Class and Comcast relative to the subject matter hereof and supersedes all prior or contemporaneous oral or written understandings, statements, representations or promises.

23. Integrated Agreement. All of the Exhibits of this Settlement Agreement are material and integral parts hereof, and are fully incorporated herein by reference. This Settlement Agreement and the Exhibits hereto constitute the entire, fully integrated agreement among the Parties and cancel and supersede all prior written and unwritten agreements and understandings pertaining to the settlement of the Action.

24. Severability. If any clause, provision or paragraph of this Settlement Agreement shall, for any reason, be held illegal, invalid or unenforceable, such illegality, invalidity or unenforceability shall not affect any other clause, provision or paragraph of this Settlement Agreement, and this Settlement Agreement shall be construed and enforced as if such illegal, invalid, or unenforceable clause, paragraph or other provisions had not been contained herein.

25. Legal Representation. The Parties to this Settlement Agreement acknowledge that they have been represented by qualified legal counsel both in connection with the Action and in connection with the negotiation, drafting and execution of this Settlement Agreement. Accordingly, the language used in this Settlement Agreement will be deemed to be language chosen by all Parties hereto to express their mutual intent, and no rule of strict construction against any party hereto will apply to any term or condition of this Settlement Agreement.

26. Approval Procedure. The Parties reserve the right, by agreement and subject to the Court's approval, to grant any reasonable extensions of time that might be necessary to carry out any of the provisions of this Settlement Agreement. All applications for Court approval or Court orders required under this Settlement Agreement shall be made on notice to Class Counsel and defendant's Counsel.

27. Court Jurisdiction. The administration and consummation of the settlement as embodied in this Settlement Agreement shall be under and pursuant to the authority of the Court. The Court shall retain jurisdiction to protect, preserve and implement the settlement, including, but not limited to, the Release.

28. Litigation Expenses. Except as otherwise provided in this Settlement Agreement, each party to this Settlement Agreement shall bear his, her or its own expenses related to the Action.

29. Commercially Reasonable Efforts. The Parties agree to cooperate in the execution of such documents and pleadings as are reasonably necessary and appropriate to obtain approval of and implementation of this Settlement Agreement, and to use commercially reasonable efforts to perform all terms of this Settlement Agreement.

IN WITNESS WHEREOF, the Parties enter into this Settlement Agreement this 21st day of July, 2011.

CIVIL ACTION No. C10-00413 RSL

**[PROPOSED] ORDER PRELIMINARILY
APPROVING CLASS ACTION
SETTLEMENT, NOTICE TO CLASS
MEMBERS, AND SCHEDULING FINAL
APPROVAL HEARING**

1 This matter came before the Court on the basis of Plaintiffs' Motion For
2 Preliminary Approval of Class Action Settlement, Notice to Class Members, and
3 Scheduling a Final Approval Hearing has come before this Court (the "Motion for
4 Preliminary Approval"). Plaintiffs and defendants Comcast Business
5 Communications, LLC and Comcast Corporation ("Comcast") have agreed,
6 subject to final approval by this Court following notice to the Settlement Class, to
7 settle this action upon the terms and conditions set forth in the Release and
8 Settlement Agreement (the "Settlement Agreement") dated **DATE** (Docket No.
9 **#**). The Court has reviewed the Settlement Agreement (including all exhibits
10 attached thereto), the Motion for Preliminary Approval, as well as all files,
11 records, and proceedings to date in this matter, and the Court hereby orders as
12 follows:

13 1. Except as specifically noted below, the Court for purposes of this
14 Order Preliminarily Approving Class Action Settlement, Notice to Class
15 Members, and Scheduling a Final Approval Hearing (the "Preliminary Approval
16 Order") adopts the definitions set forth in the Settlement Agreement, unless
17 otherwise defined herein.

18 2. Neither this Preliminary Approval Order, nor the Settlement
19 Agreement, nor any of the terms or provisions thereto, nor any of the negotiations
20 or proceedings connected with any of them, shall be referred to, offered as
21 evidence, or received in any pending or future civil, criminal or administrative
22 action or proceeding, except in a proceeding to enforce the terms of the Settlement
23 Agreement.

24 3. **Certification of Settlement Class.** Pursuant to the Settlement
25 Agreement and for purposes of this settlement only, the Court certifies the
26 following Settlement Class pursuant to Fed. R. Civ. P. 23(b)(3):

**[PROPOSED] PRELIMINARY APPROVAL
ORDER**
C10-00413 RSL

1 All Washington businesses, including businesses operated out of
2 residences, who received one or more commercial solicitations from
3 Comcast directly or through its agents through the use of an automatic
4 dialing and announcing device during the period of February 19, 2006,
through the entry of the Preliminary Approval Order.

5 This certification is effective and binding only with respect to proceedings
6 related to or encompassed by the Settlement Agreement. If the Settlement
7 Agreement terminates for any reason, this certification shall be vacated by its
8 terms and the Action shall revert to the status with respect to class certification
9 that existed before execution of the Settlement Agreement. In such event,
10 Comcast's stipulation to this Settlement Class in conjunction with the Settlement
11 Agreement shall not be construed as or raise any presumption of or inference of a
12 concession or admission as to the propriety of certification of this class or any
13 other.

14 The Court hereby finds and concludes, for settlement purposes of this
15 settlement only, that the proposed Settlement Class satisfies all of the
16 requirements for certification under Rule 23.

17 **4. Appointment of Class Representatives and Class Counsel.**

18 Solely for purposes of effectuating the proposed Settlement Agreement, the Court
19 finds the proposed class representatives, Plaintiffs above, to have claims typical of
20 absent class members belonging to the Class and to be adequate representatives of
21 those Class Members ("Class Representatives"). The Court hereby appoints
22 Plaintiffs to serve as the Class Representative-s The Court further finds the firms
23 of Williamson & Williams, Terrell Marshall Daudt & Willie PLLC, and Gallagher
24 Law Offices, PS to have experience and expertise in prosecuting class actions
25 such as this Action and hereby appoints this firm as Class Counsel.
26

1 5. **Preliminary Approval of Proposed Settlement.** The Court has
2 reviewed the terms of the Settlement Agreement, as well as the papers submitted
3 in connection with the Motion for Preliminary Approval, and all other relevant
4 files, records and papers in this action. The proposed Settlement Agreement
5 provides substantial monetary relief to the Settlement Class. The terms of the
6 Settlement Agreement will be implemented by an independent Claims
7 Administrator. The Court further concludes that the proposed Settlement
8 Agreement is the result of extensive, arms-length negotiations between Plaintiffs
9 and Comcast and was executed after Class Counsel had investigated the claims
10 and evaluated the strengths and weaknesses of the Plaintiffs' claims. Based on all
11 of these factors, the Court concludes that the proposed settlement has no obvious
12 defects and is within the range of possible settlement approval, and that the Class
13 Notice proposed herein is appropriate, and the Court hereby preliminarily
14 approves the Settlement Agreement as fair, reasonable and adequate.

15 6. **Approval of Class Notice and Notice Plan.** The Parties have
16 submitted for this Court's approval a proposed form of Class Notice, a postcard,
17 and proposed to send by mail the Class Notice to all Class Members. The Court
18 finds and concludes that the form of the Class Notice and its direct mailing
19 constitute the best practicable notice under the circumstances and is as likely as
20 any other form of notice to apprise Class Members of the Settlement Agreement,
21 the certification of the Settlement Class for purposes of settlement, and Class
22 Members' rights to opt-out, object, and/or make a claim. The Court further finds
23 and concludes that Class Notice, and the agreement to mail it to Class Members is
24 reasonable, that it constitutes due, adequate and sufficient notice to all Class
25 Members entitled to receive notice, and that it meets the requirements of due
26

1 process, satisfying Fed. R. Civ. Proc. 23 and the Washington State and United
2 States Constitutions.

3 Within fourteen (14) days after the entry of this Preliminary Approval
4 Order, or as soon as reasonably practicable thereafter, the Parties shall cause the
5 Class Notice, in substantially the same form as Exhibit B of the Settlement
6 Agreement, to be mailed by the Claims Administrator by first-class mail, postage
7 prepaid, as required by Settlement Agreement. Commencing with the mailing of
8 the Class Notice, electronic copies of the Notice, Settlement Agreement, Claim
9 Form, and relevant deadlines for Class Members shall be made available online at
10 a website maintained by the Claims Administrator.

11 7. **Petition for Fee Award/Incentive Award.** No later than fifty four
12 (54) days after date of entry of this Preliminary Approval Order, Class Counsel
13 and Plaintiffs shall file their petition for a fee award and incentive award and
14 cause a copy of the papers filed in support of the petition to be made available on
15 the website maintained by the Claims Administrator.

16 8. **Deadline for Submitting Claim Forms.** All Class Members who
17 do not timely exclude themselves from the proposed Settlement Agreement will
18 be bound by the Settlement Agreement. Class Members who do not exclude
19 themselves may submit a Claim Form in accordance with the terms of the
20 Settlement Agreement. The Claim Form must be fully completed, signed under
21 penalty of perjury and submitted in accordance with the terms of the Settlement
22 Agreement within the sixty (60) day period commencing with the Class Notice
23 Date for a Class Member to be considered by the Claims Administrator for
24 approval to receive any Settlement Award.

25 9. **Final Approval Hearing.** The Court hereby schedules a final
26 approval hearing on **November**, 2011, at **TIME**, at the U.S. District Court for

1 the Western District of Washington, 700 Stewart Street, Seattle, WA 98101,
2 (“Final Approval Hearing”) at which time the Court will determine whether the
3 Settlement Agreement is fair, reasonable and adequate and should be finally
4 approved. At that time, the Court will determine whether to grant any incentive
5 award or fee award requested by the Class Representatives or Class Counsel. The
6 Final Approval Hearing may be postponed, adjourned, or continued by order of
7 the Court without further notice to the Settlement Class. At or after the Final
8 Approval Hearing, the Court may enter a Final Judgment, substantially in the form
9 of Exhibit C to the Settlement Agreement, that will adjudicate the rights of the
10 Class Members.

11 10. **Papers in Support of Settlement.** The Parties to the Settlement
12 Agreement may file any responses to objections by Class Members, if any, and
13 additional papers in support of final approval of the proposed settlement no later
14 than ten (10) calendar days prior to the Fairness Hearing.

15 11. **Right to Exclude.** Any Class Member may choose to be excluded
16 from the Class by signing and returning a request for exclusion postmarked no
17 later than **EXCLUSION DEADLINE**, as set forth more fully in the Class Notice
18 and Paragraph 9 of the Settlement Agreement. Any Class Member who submits a
19 valid request for exclusion shall have no rights under the Settlement Agreement.
20 All Class Members who do not request exclusion shall be bound by this Court’s
21 orders, including without limitation any Final Approval Order or Final Judgment
22 entered in this Action.

23 12. **Objections and Appearances.** Any Class Member may object to
24 the fairness, reasonableness or adequacy of the Settlement Agreement or the
25 petition for the fee award and incentive award. Class Members may do so either
26 on their own or through counsel hired at their own expense. Any Class Member

1 who wishes to object to the Settlement Agreement or petition for the fee award
 2 and incentive award must file with the Court a written statement of objection,
 3 along with any other supporting materials, papers or briefs that he or she wishes
 4 the Court to consider, no later than sixty (60) days after notice is mailed and must
 5 by that same date serve such papers by first-class mail on the following counsel
 6 for the Parties:

7 Roblin Williamson, Esq.
 8 Williamson & Williams LLP
 17253 Agate St. NE
 Bainbridge Island, WA 98110

9 Peter S. Ehrlichman, Esq.
 10 Dorsey & Whitney LLP
 701 Fifth Avenue, Suite 6100
 11 Seattle, WA 98101-7043

12
 13 Any Class Member who has served an objection may appear at the Final Approval
 14 Hearing, either in person or through counsel hired at the Class Member's expense,
 15 and object to the fairness, reasonableness or adequacy of the Settlement
 16 Agreement. Any Class Member who wishes to be heard at the Final Approval
 17 Hearing must also file with the Court a written notice of intent to appear by no
 18 later than sixty (60) days after notice is mailed, and must by that same date serve
 19 such notice of intent to appear on the counsel for the Parties at the addresses listed
 20 above. The Parties shall file any responses to Class Members' objections, if any,
 21 no later than **10 DAYS BEFORE FINAL APPROVAL HEARING**.

22 13. **Effect of Failure to Approve the Settlement Agreement.** In the
 23 event the Court or any other court: (a) disapproves, sets aside, or modifies the
 24 Settlement Agreement, (b) declines for any reason to enter or give effect to an
 25 order preliminarily approving the Settlement Agreement, (c) declines for any
 26 reason to enter or give effect to a final order approving the Settlement Agreement

**[PROPOSED] PRELIMINARY APPROVAL
 ORDER**
 C10-00413 RSL

1 and entering final judgment; or (d) holds that any final order approving the
2 Settlement Agreement and entering judgment, or any judgment entered pursuant
3 thereto, should in any material part be overturned or modified in any material way,
4 then the Parties shall use their best efforts to effectively repair deficiencies in
5 order to obtain Court approval, provided that such best efforts shall not be deemed
6 to require Comcast to pay any additional sums than is provided herein, or receive
7 any less percentage of funds retained as provided in Paragraph 4 herein. In the
8 event such efforts are unsuccessful, and after the passage of sixty (60) days from
9 the date of the Court's actions outlined in Paragraph 13 (a)-(d) herein, then the
10 Settlement Agreement shall become null and void, the Action shall be deemed to
11 revert to its status as of the date and time immediately prior to the execution of the
12 Settlement Agreement, and the parties shall jointly move that any and all orders
13 entered pursuant to the Settlement Agreement be vacated and shall proceed with
14 the Action as if the Settlement Agreement had never been executed; provided,
15 however, that in the event that the parties, within fifteen (15) days of any such
16 action of any court, jointly elect to appeal from or otherwise seek review or
17 reconsideration of such court action, the Settlement Agreement shall not be
18 deemed null and void until such time as such court action becomes final after any
19 proceedings arising directly or indirectly from the parties' appeal(s) or other
20 attempt(s) to have such court action reversed, withdrawn, or overturned.

21 14. **Stay of Proceedings.** All discovery and other pretrial proceedings
22 between Plaintiffs and Comcast in this action are hereby stayed and suspended
23 until further order of the Court, except such actions as may be necessary to
24 implement the Settlement Agreement and this Preliminary Approval Order.

25 15. Defendant Comcast is further directed to file a statement by
26 [REDACTED] indicating that notice to the appropriate government

officials has been provided as required by the Class Action Fairness Act, 28
U.S.C. § 1715(b).

IT IS SO ORDERED.

CIVIL ACTION No. C10-00413 RSL

**[PROPOSED] FINAL ORDER AND
JUDGMENT**

1 On [REDACTED], a hearing was held on the motion of plaintiffs for final approval of
2 the Release and Settlement Agreement dated [REDACTED] reached in the above-referenced
3 matter (the "Settlement Agreement") (Docket No. # [REDACTED]) and seeking entry of a final judgment
4 concluding this Action. The Court, having considered the arguments of the parties, the papers
5 submitted in support thereof, and all other matters properly before the Court, hereby

6 **ORDERS** as follows:

7 1. Except as specifically noted below, the Court for purposes of this Final Order
8 and Judgment adopts the definitions set forth in the Settlement Agreement, unless otherwise
9 defined below.

10 2. The Court finds that the prerequisites for a class action under Rule 23(a) and
11 (b)(3) of the Federal Rules of Civil Procedure have been satisfied in that: (a) the number of
12 Class Members is so numerous that joinder of all members thereof is impracticable; (b) there
13 are questions of law and fact common to the Settlement Class; (c) the claims of the Class
14 Representatives are typical of the claims of the Settlement Class they seek to represent; (d)
15 Class Representatives fairly and adequately represent the interests of the Class; (e) the
16 questions of law and fact common to the members of the Settlement Class predominate over
17 any questions affecting only individual members of the Settlement Class; and (f) a class
18 action is superior to other available methods for the fair and efficient adjudication of the
19 controversy.

20
21 All Washington businesses, including businesses operated out
22 of residences, who received one or more commercial
23 solicitations from Comcast directly or through its agents
24 through the use of an automatic dialing and announcing device
during the period of February 19, 2006, through the entry of the
Preliminary Approval Order.

25 A list of those Persons who have timely and properly requested exclusion from the Class is
26 appended to this Final Approval Order as Attachment 1.

1 3. This Court has jurisdiction over the subject matter of this Action and over all
2 parties to the Settlement Agreement, including all Class Members.

3 4. The Class Notice delivered pursuant to the Court's preliminary order of
4 approval, dated [REDACTED], (the "Preliminary Approval Order") (Docket No. # [REDACTED]) constituted
5 the best notice practicable under the circumstances to all potential members of the Class and
6 fully complied with Fed. R. Civ. Proc. 23(e)(1). The Notice provided due and adequate notice
7 of these proceedings and the matters set forth herein, including the Settlement Agreement and
8 allocation of the Settlement Fund, to all persons and entities entitled to such notice, and the
9 Notice fully satisfied the requirements of Rule 23 of the Federal Rules of Civil Procedure and
10 any other applicable law. A full opportunity has been offered to the Class Members to object
11 to the proposed Settlement and to participate in the hearing thereon. Thus, it is hereby
12 determined that all Class Members who did not timely elect to exclude themselves by written
13 communication are bound by this Order and Final Judgment.

14 5. The settlement set forth in the Settlement Agreement is hereby finally
15 approved as fair, reasonable and adequate to all parties and Class Members pursuant to Fed.
16 R. Civ. Proc. 23(e)(2).

17 6. All Class Members: (1) are bound by this Final Judgment; (2) are forever
18 barred from instituting, maintaining, or prosecuting any of the Released Claims; and (3) have
19 released and discharged defendants from any and all liability with respect to such Released
20 Claims, including but not limited to claims for attorneys' fees, costs, and expenses. The
21 Released Claims are set forth in Paragraph 13.1 of the Settlement Agreement, which states:

22 Upon final approval of the terms of this Settlement Agreement by the
23 Court, the Class Members, on behalf of themselves, their descendants,
24 ancestors, dependents, heirs, executors, and administrators, and on behalf of
25 each of their past and present predecessors, successors, assigns, subsidiaries,
26 affiliates, parents, operating entities, employees, officers, directors, attorneys,
agents, shareholders, partners, joint venturers, insurers and sureties, jointly
and severally, fully and forever release Comcast and Marketouch, and each of
their past and present predecessors, successors, assigns, subsidiaries, affiliates,

1 and operating entities, and each of their respective past and present
2 employees, officers, directors, attorneys, agents, shareholders, partners, joint
3 venturers, insurers and sureties, of and from any claim, duty, obligation, lien,
4 demand, damage, cause of action, or liability of any nature whatsoever,
5 whether or not now known, suspected, pled, or claimed, whether raised by
6 claim, counterclaim, setoff or otherwise, that any of them ever had, now has,
7 or may claim to have had, that relates to, or otherwise arises from the Action
8 or any allegations or claims raised therein (the "Released Claims"). Released
9 Claims do not include (1) claims arising from the delivery of pre-recorded
10 messages that were not delivered by or on behalf of Comcast; or (2) claims
11 that do not arise as a result of Comcast directly or indirectly using an
12 automatic dialing and announcing device for business to business solicitation
13 calls.

14 .

15 7. Neither the Settlement Agreement, nor any of its terms or provisions, nor any
16 document executed pursuant to it, nor any other act taken to negotiate it or carry it out, shall
17 be construed as or raise any presumption or inference of any concession or admission, or any
18 waiver of any right, claim or defense of any party or any Class Member, except insofar as
19 such rights, claims or defenses are expressly released or discharged by this Final Judgment.

20 8. Neither this Final Order and Judgment, the Settlement Agreement, nor
21 any of the negotiations, documents or proceedings connected with them shall be:

22 (a) offered or received against the defendants Comcast and Marketouch
23 (the "Defendant(s)") as evidence of or construed as or deemed to be evidence of any
24 presumption, concession, or admission by any of the defendants with respect to the truth of
25 any fact alleged by any of the Plaintiffs or the validity of any claim that has been or could
26 have been asserted in the Action or in any litigation, or the deficiency of any defense that has
been or could have been asserted in the Action or in any litigation, or of any liability,
negligence, fault, or wrongdoing of any Defendant;

(b) offered or received against any defendant as evidence of a presumption,
concession or admission of any fault, misrepresentation or omission with respect to any
statements or written document approved or made by any Defendant;

1 (c) offered or received against Defendants as evidence of a presumption,
2 concession or admission with respect to any liability, negligence, fault or wrongdoing, or in
3 any way referred to or for any other reason as against the Defendants, in any other civil,
4 criminal or administrative action or proceeding, other than such proceedings as may be
5 necessary to effectuate the provisions of the Settlement Agreement; provided, however, that if
6 the Settlement Agreement is approved by the Court, Released Parties (as defined in the
7 Settlement Agreement) may refer to it to effectuate the liability protection granted them
8 hereunder including to support a defense of res judicata, collateral estoppel, release, good
9 faith settlement, judgment bar or reduction or any other theory of claim preclusion or issue
10 preclusion or similar defense or counterclaim;

11 (d) construed against Defendants or the Class Members as an admission or
12 concession that the consideration to be given hereunder represents the amount which could be
13 or would have been recovered after trial; or

14 9. (e) construed as, or received in evidence as, an admission,
15 concession or presumption against the Plaintiffs or the Class Members that any of their claims
16 are without merit or that damages recoverable under any of the complaints filed in the Action
17 would not have exceeded the Settlement Amount. The Court reserves jurisdiction over the
18 Parties, including all Class Members, for purposes of supervising the implementation,
19 enforcement, construction, and interpretation of the Settlement Agreement.

20 10. The Court approves and directs that all Class Members who have submitted
21 valid claims (a total of [REDACTED] Class Members) be paid \$100 per call received. This
22 amount totals \$ [REDACTED].

23 11. The Court further directs Comcast to pay two hundred eighty-five thousand
24 dollars and no cents (\$285,000.00) to the Legal Foundation of Washington and two hundred
25 eighty-five thousand dollars and no cents (\$285,000.00)), in equal shares, to El Centro de la
26 Raza and Neighborhood House.

1 12. The Court orders Comcast to pay up to two hundred-and-fifty thousand dollars
2 and no cents (\$250,000.00) to the Claims Administrator for claims administration costs. The
3 Court orders Comcast to pay any claims administration costs in excess thereof, if any, to the
4 Claims Administrator, and if claims administration costs are less, the excess funds will be
5 retained by Comcast.

6 13. The Court hereby approves an award of Class Counsel attorneys' fees and
7 costs of Eight Hundred Seventy Thousand Dollars (\$870,000.00) to be paid by Comcast in the
8 manner provided in the Settlement Agreement.

9 14. None of the payments specified in Paragraphs 10-13, *supra* are the liability of
10 Comcast except as provided in the Settlement Agreement.

11 15. The Court further hereby approves an incentive payment of \$10,000 to each
12 Lead Plaintiff to be paid as provided in the Settlement Agreement. This payment is not a
13 liability of Comcast except as provided in the Settlement Agreement.

1 16. Plaintiffs' claims against Comcast and Marketouch are hereby dismissed with
2 prejudice and with all parties to bear their own costs and fees.

3 **IT IS SO ORDERED.**
